PREAMBLE

The Plaintiffs and the Defendants, enter into this agreement (the “**Agreement**” or “**Settlement Agreement**”), on behalf of persons with claims as described herein arising from the Lemon Creek fuel spill on July 26, 2013 (the “**Spill**”), pursuant to the terms and conditions set out herein and subject to the approval of the Supreme Court of British Columbia.

RECITALS

WHEREAS on August 7, 2013, the Plaintiff Robert Kirk brought Action No. S135927 in the Supreme Court of British Columbia (Vancouver Registry) pursuant to the *Class Proceedings Act*, R.S.B.C. 1996, c. 50, relating to nuisance and other claims arising from the Spill.

AND WHEREAS Action No. S135927 in the Supreme Court of British Columbia (Vancouver Registry) was certified as a class proceeding by Justice Masuhara of the Supreme Court of British Columbia on the basis of the specific common issues set out in the certification order dated April 26, 2023 (the “**Class Action**” or “**Kirk Action**”).

AND WHEREAS the Class Action asserts claims on behalf of a certified class consisting of “*All persons who owned, leased, rented, or occupied real property on July 26, 2013 within the Evacuation Zone (as defined in the Amended Notice of Civil Claim) except for the defendants and third parties.*” (the “**Kirk Class Members**”)

AND WHEREAS on July 22, 2015, the Plaintiff, James Ross, commenced a separate but parallel proposed class action relating to personal injuries allegedly resulting from the Spill by way of Action No. S155933 in the Supreme Court of British Columbia (Vancouver Registry) (the “**Ross Action**”).

AND WHEREAS the Ross Action asserts claims on behalf of a proposed class, consisting of “*All persons who were present in the Evacuation Area at or after the time of the Spill and suffered personal injury where those personal injuries are claimed to have been associated with the Spill*” (the “**Ross Proposed Class Members**”).

AND WHEREAS the Parties intend, by this Settlement Agreement, to resolve all past, present, and future claims of the Kirk Class Members and the Ross Proposed Class Members in any way arising from or relating to the Class Action and/or the Ross Action.

AND WHEREAS for the purpose of settlement only and contingent on approval by the Court as provided for in this Settlement Agreement, the Parties have consented to the Ross Action

being certified as a class proceeding with a single common issue in the Ross Action solely for the purpose of implementing this Settlement Agreement.

AND WHEREAS the Plaintiff James Andrew Ross asserts that he is an adequate class representative for the Ross Proposed Class Members and will seek to be appointed as representative plaintiff in the Ross Action.

AND WHEREAS the Defendants deny the Allegations made in the Kirk Action and the Ross Action, have not conceded or admitted any liability, deny that any damages are payable, and assert defences to all of the claims in the Kirk Action and the Ross Action (the “**Actions**”).

AND WHEREAS the Parties have engaged in extensive arm’s length negotiations, two mediations, and 12 years of active litigation including two certification hearings, two full appeals before the British Columbia Court of Appeal, and a leave application to the Supreme Court of Canada.

AND WHEREAS a common issues trial for the Kirk Action is set to commence in the Supreme Court of British Columbia on January 6, 2025, and run for a period of thirty-nine (39) days.

AND WHEREAS despite the availability of defences to the Actions, the Defendants are entering into this Settlement Agreement in order to achieve a final resolution of all current and potential claims asserted against them by the Plaintiffs on behalf of the Kirk Class Members and Ross Proposed Class Members.

AND WHEREAS counsel for the Parties has conducted a thorough analysis of the merits of the Actions and have also taken into account the extensive burden and expense of litigation, including the risks of trial and further potential appeals. In consideration of all of the circumstances and after extensive arm’s length negotiations, both directly and with the assistance of a mediator, the Parties wish to settle any and all issues amongst themselves arising out of the Actions, and whereas it is acknowledged that the Defendants would not have entered into this Settlement Agreement were it not for the foregoing.

AND WHEREAS the Parties therefore wish to, and hereby do, fully and finally resolve the Actions without admission of liability on the part of the Defendants.

AND WHEREAS the Defendants, in entering into the Settlement Agreement, intend to resolve and release all claims, counterclaims, complaints, disputes, demands, actions, suits, causes of action, liabilities, obligations, of any nature or kind between and amongst themselves and also asserted against Third Parties, arising from or relating to the events that are the subject of the Actions, including all claims for contribution and indemnity.

AND WHEREAS after their investigation, the Plaintiffs and Class Counsel have come to the opinion that this Settlement Agreement is reasonable and in the best interests of the Kirk Class Members and Ross Proposed Class Members.

NOW THEREFORE, in consideration of the covenants, agreements, and releases set forth herein, it is agreed by the Parties that the Actions be settled and dismissed on the following terms and conditions.

Damages - Category Assessments

5. A Class Member's entitlement to payment, and the amount of such payment, under this Distribution Protocol shall be determined by the Claims Administrator as outlined herein.

6. Damages will be assessed by the Claims Administrator through a review of the available information and documents and by and applying the following grid:

CATEGORY	POINT
----------	-------

(1) DISRUPTION PAYMENTS (Kirk Action)	
(a) Inconvenience Each person who falls within the Class Definition in the Kirk Action, is to be compensated for the loss of the right to use and enjoy their property.	1
(b) Evacuation (1 day) Each Class Member who physically evacuated for one day.	1
(c) Evacuation (>1 day) Each Class Member who physically evacuated for more than one day. Class Members will be awarded a point for each for (b) and (c) respectively, if they evacuated for more than one day.	1

(2) PERSONAL INJURY PAYMENTS (Ross Action)	
(a) Minor Personal Injury Damage: Each person who falls within the proposed Class Definition of the Ross Action, and experienced minor personal injury, which includes any injury described below, where the symptoms did not last for more than one week, did not result in hospitalization for more than one day, and did not cause long-term health complications: i. Burning eyes, nose, and/or throat; ii. Rashes, allergic reactions and/or Itchy skin; iii. Digestive issues; iv. Mental Distress; and v. Brain fog and headaches.	1

<p>The Minor Personal Injury must be supported by affidavit evidence or medical records satisfactory to the Claims Administrator, which must reflect that the injury was, or likely was, caused by the Spill. The Claims Administrator will make this assessment on a balance of probabilities and will consider common law principles such as proximity and remoteness.</p> <p>NOTE: In accordance with this Distribution Protocol, Claimants are not eligible to receive the point under 2 (a) Minor Personal Injury Damage if they are eligible to receive a point under 1 (a) Disruption Payments. The two points are mutually exclusive. This is so that all members that fall within the Class Definition of both of the Actions receive only one point for the "base level of damage" experienced. All other points are for damages over and above the base level of damage experienced by the Class Members as a result of the Spill.</p>	
<p>(b) Major Personal Injury Damage:</p> <p>Each person who falls within the proposed Class Definition of the Ross Action and experienced major personal injury, including mental distress and physical injury, which caused long-term health complications which significantly impacted the Class Members quality of life.</p> <p>The Major Personal Injury must be supported by affidavit evidence or medical records satisfactory to the Claims Administrator, which must reflect that the injury was, or likely was, caused by the Spill. The Claims Administrator will make this assessment on a balance of probabilities and will consider common law principles such as proximity and remoteness.</p> <p>NOTE: It is possible to receive a point for category 2 (a) Minor Personal Injury Damage and category 2 (b) Major Personal Injury Damage.</p>	2

Personal Property Loss/Repair (Above \$100):</p> <p>Eligible claimants under the Kirk Action with repair costs of chattels, crops/gardens damaged or destroyed as a result of the Spill, that have not otherwise been reimbursed by other means, for actual expenditure that exceeded \$100.</p>	1

<p>(b) Personal Income Loss (Above \$100):</p> <p>Eligible Claimants in the Actions whose employment income was impacted by the Spill in a direct way, and not otherwise compensated, such as by social assistance, unemployment insurance or other income replacement programs, are entitled to make a claim for payment of lost wages and benefits, upon proof of employment, income and employment interruption or other such evidence satisfactory to the Claims Administrator, for actual loss that exceeded \$100.</p>	1
<p>(c) Business Income Loss (Above \$100):</p> <p>Eligible Claimants in the Actions whose business income was impacted by the Spill in a direct way, and that income was not protected by any other insurance or reimbursed by any other means, for actual loss that exceeded \$100.</p>	1
